Date(s) \_\_\_\_\_

**NOTATION:**

Sp = Spring      Su = Summer  
 Fa = Fall        Wi = Winter

In addition to birds, be sure to look for deer, raccoon, snakes, frogs and toads, turtles, butterflies, terrestrial snails, and flowers in our beautiful park!

**C = Common:** Fairly easy to locate and observe in the proper habitat and season in the park  
**U = Uncommon:** Persistence is needed to locate and observe in the proper habitat and season in the park  
**R = Rare:** Even in the proper habitat and season in the park this species is difficult to locate  
**O = Occasional:** Species is seldom observed in the park during that season, and for a limited time
